

# Membership

There's no better way to support us than by becoming a member. You'll be joining a group of like-minded people to help us keep young people safe, engaged, and thriving within the local community. This is done through youth work, advice and supported accommodation.

## YOUR MEMBERSHIP MAKES A DIFFERENCE...

### To Young People

Your support helps us deliver much needed services to young people. With your support we can focus on preventative youth work, while our housing project helps to keep some of society's most vulnerable young people safe, when experiencing crisis.

### To the Charity

As a member you support the good governance of the Charity - helping us to make important decisions around our constitution, appointment of Trustees, and in attending to other matters of business at our Annual General Meeting.

### To Society

In supporting Barnabas, you offer stability and security to those in need, giving them access to the right services and ultimately, reducing the financial burden on healthcare services, and public funds further along the way.

**DID YOU KNOW...** We need at least 10 members in attendance at our AGM, in order to carry out business and be quorate. Making it even more important to have you on board!

### In return for your support you will:

- contribute to positive outcomes for young people
- receive our bi-monthly Newsletter, The Barnabas Beat;
- be invited to attend events, fundraisers and our annual Christmas Coffee Morning;
- have the opportunity to volunteer, and share your skills;
- be invited to attend our Annual General Meeting, making decisions and voting on matters of business.
